

 HOLY HEROES

33 Day Journey of Total Consecration to Jesus through Mary

DEVOTION

DAY 19

“Pray the Rosary every day, in order to obtain peace for the world and the end of the war.”
(Blessed Virgin Mary to the children of Fatima)

The very first message from Fatima is about the importance of the Rosary. Throughout her visits to the Fatima children, Our Lady constantly stressed the importance of the Rosary and the necessity of this prayer in order to obtain peace in the world and the end of World War I. With so many people being killed every day during that war, this message was especially poignant for the children, and they continued to pray the Rosary daily. Remember, most of the young men were off fighting the war, so the children of the village noticed their absence.

Ponder when you pray

Think of ways you can add the Rosary into your prayer life—even just a decade at a time. Perhaps you could pray all by yourself first thing in the morning or alone in your bed at night? Or be like the Fatima children and pray with your friends before playtime. When could you pray with your family? At lunchtime, on the way to Sunday Mass, or other times?

Here’s an idea: Pope Saint John Paul II had the kids in his youth group do just a “decade-a-day” and really pray and think about just one mystery at a time. They would pray just that one mystery every day for an entire week, then he would assign them a different mystery for the next week.
